

REMARKS

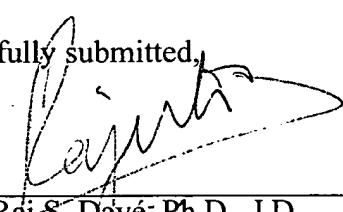

The undersigned thanks the Examiner for the telephone interview of February 15, 2005.

During the interview, the Examiner said that he would enter this Amendment in which the dependency of claims 5, 7 and 10, which depend from claim 4 or 6 has been changed to that from claim 1. By the Amendment of March 17, 2003, the limitations of claims 4 and 6 were added to claim 1. Inadvertently, however, the dependency of claims 5, 7 and 10, which depend from claim 4 or 6, was not also changed such that these claims would depend from a pending claim. This error has propagated through several Actions and Amendments without being noticed by either the Examiner or the undersigned. Applicants respectfully solicit the entry of this Amendment. This Amendment further cancels the withdrawn claims.

In the event that the transmittal letter is separated from this document and the Patent and Trademark Office determines that an extension and/or other relief is required, applicant petitions for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952**, Attorney Docket Reference No. **360842007400**. However, the Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.
